

# OfferVeggi

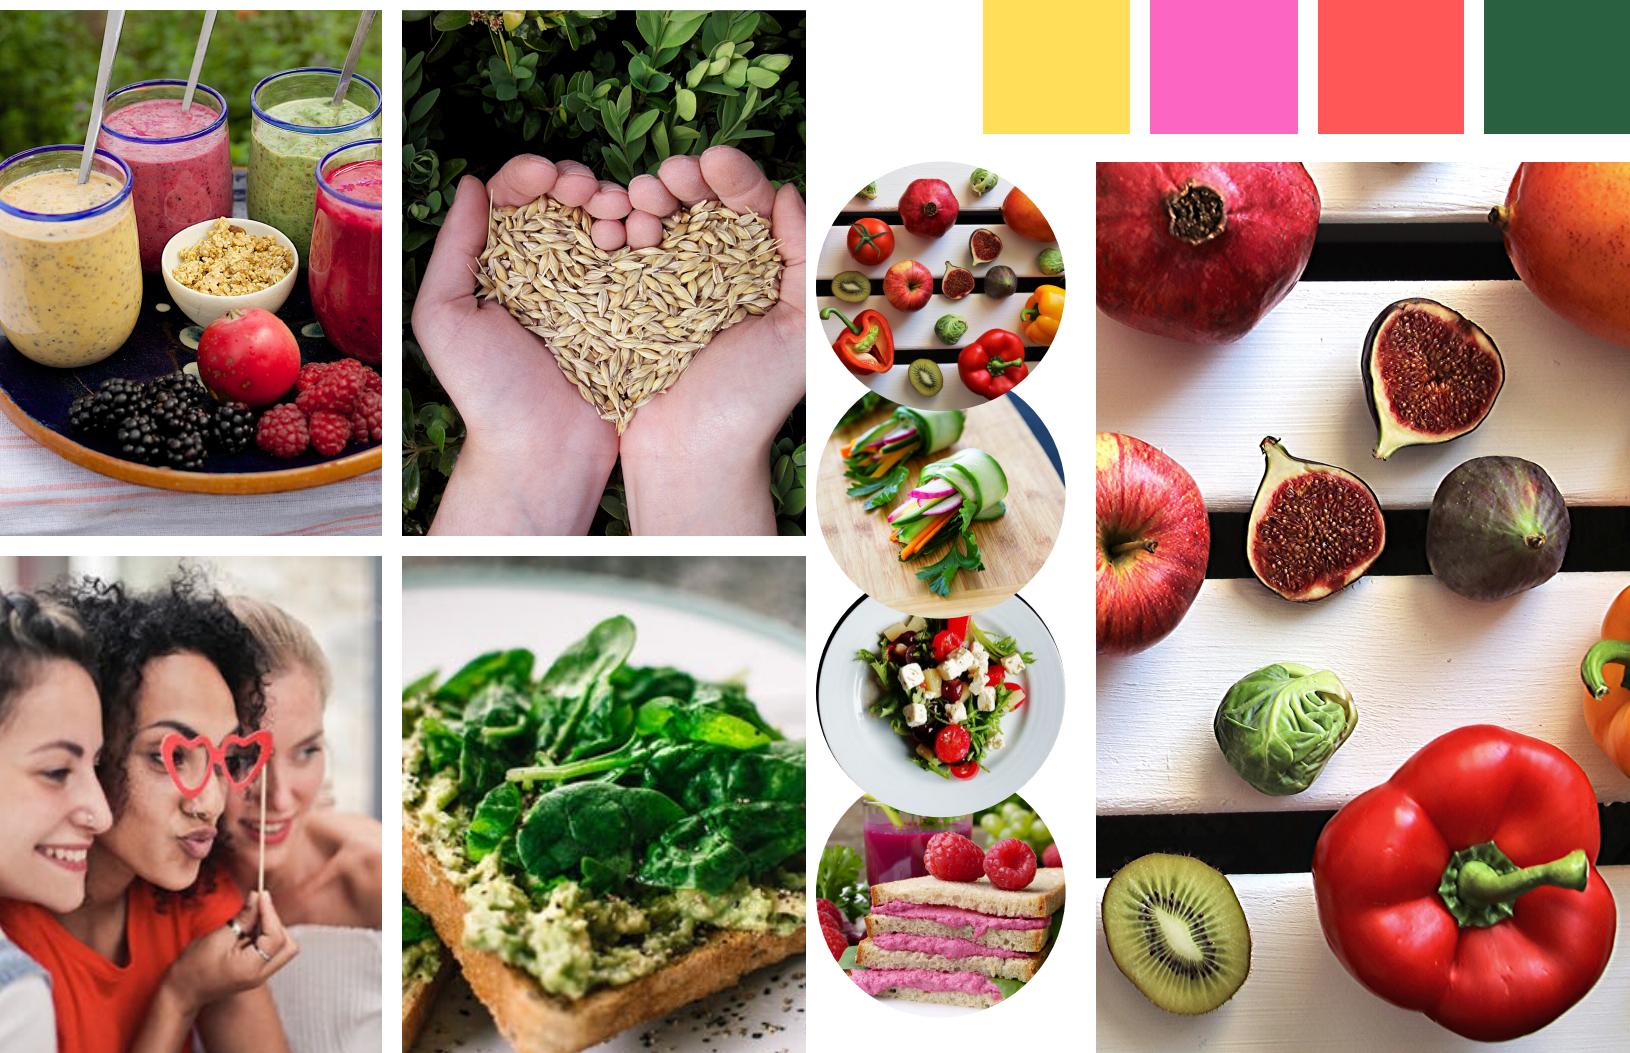

An APP that helps people to find vegetarian restaurants and restaurants that offer vegetarian or vegan menus.

Sharing all veggie options with you!

OfferVeggie APP allows users to find the restaurants around. It pops up open/close times, menus, prices, customer pictures, and most importantly - reviews for each restaurant. Users can sort the restaurants at the area in a list of highest review order, price order, or most popular order, etc. Users can also save and share pictures with others, such as meal pictures, restaurant environment pictures, and family pictures, etc.
